Dear FCDC Family:

We are sending this Membership Fee Statement of Accounts to all FCDC Members as an annual reminder of membership dues. In 2020, we have halted most of our in-person activities and shifted to virtual events. If you have paid your membership fee for the year 2020, you will be credited for the year 2021. Kindly see attached page for details.

FCDC will continue to have activities this year. Even though most will be virtual, we will strive to evaluate the situation and move to in-person activities when it's deemed safe. COVID vaccinations are planned by the government to reach the general population by summer, giving us more protection and confidence to resume our normal activities. The organizers are already busy planning the many fun and educational events to happen this year.

The following are some of the planned activities for 2021:

- FACES classes
- Art classes (virtual)
- Santacruzian (virtual)
- Virtual choir
- Karaoke Nights (virtual)
- FCDC Newsletter (digital)
- Bike Run
- Fun Run
- Field trips
- Nature walks
- Community Gardening
- Motivational seminars

FCDC strives to preserve Filipino heritage, support endeavors locally and abroad, making a difference altogether. We rely on your generous donation to help us with operational fees, carry out projects and activities. There are several benefits associated with your membership fees, especially for FACES members. Kindly join in this endeavor by renewing your membership.

Thank you very much!

Sincerely,

A handwritten signature in cursive script, appearing to read 'Jasmine Alcid'.

**Jasmine Alcid**  
President

**For period: January 1- December 31, 2021**
